# Onluk-Birlik

Aşağıdaki sayıların onluk birliklerini yazınız. Arıları istediğiniz renge boyayınız.

# Onluk-Birlik

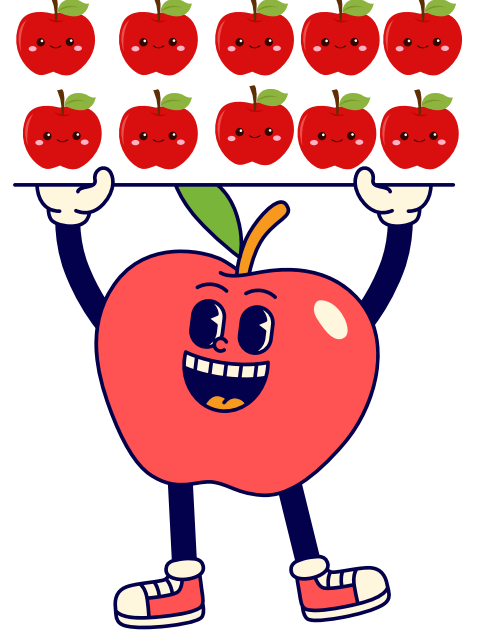

Aşağıdaki sayıların onluk birliklerini yazınız. Arıları istediğiniz renge boyayınız.

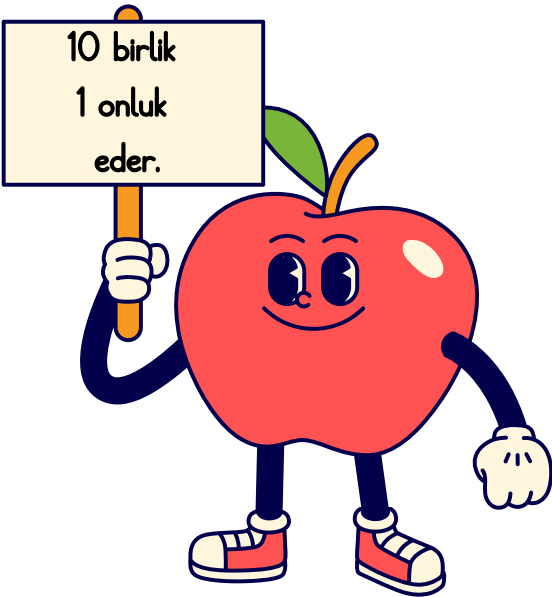

# Onluk-Birlik

Aşağıda verilen sayıların kaç onluk ve kaç birlikten oluştuğunu yazalım.

|    |                  |
|----|------------------|
| 12 | 1 onluk 2 birlik |
| 16 | onluk birlik     |
| 15 | onluk birlik     |
| 17 | onluk birlik     |
| 19 | onluk birlik     |

Aşağıda onluk birlikleri verilen sayıları yazalım.

|                  |    |
|------------------|----|
| 1 onluk 1 birlik | 11 |
| 1 onluk 5 birlik |    |
| 1 onluk 8 birlik |    |
| 1 onluk 6 birlik |    |
| 1 onluk 9 birlik |    |

# Onluk-Birlik

Aşağıdaki arıları kovanlarına ulaştırınız. Ardından boyayınız.

|                                                                                     |                                                                                      |                                                                                       |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|    |    |    |
|    |   |   |
|   |  |  |
|  |  |  |
|  |                                                                                      |                                                                                       |
|  |                                                                                      |                                                                                       |
|  |                                                                                      |                                                                                       |
|  |                                                                                      |                                                                                       |
